

Helpers Turn Up For The AMCC Track Maintenance Weekend

Around a dozen people turned up over the weekend to help out with some much needed site maintenance, which is far less than the number of people voicing complaints about nothing being done to the site.

I know there were a few National race meetings on that weekend, Halifax : BRCA Electric, Bedworth : BRCA IC-10 / Scale, and club meetings at Bournemouth, Southend and Racal Decca, for those who raced at one of these meetings your apologies are accepted.

But those of you who weren't racing and wasn't helping out, where were you! As for those of you who love to complain about the state of the site, well! You had your chance to do something about it, but if you couldn't be bothered to put your hands where your mouth is then maybe you should keep your mouth shut.

For those that did turn up, some staying for most of the two days, I haven't been able to get all your names, but I would like to say on behalf of the club Thank You.

As for my whereabouts over the AMCC maintenance weekend, I was racing at Bedworth along with a dozen or so other Aldershot members.

Grass Cutting

An answer has been found as to why the person we had originally arranged to do the grass cutting for us had not been cutting the grass.

It appears that when he turned up to cut the grass during the week, the track was being used for driver practice, when these drivers were asked if they could cease practice so that the grass could be cut they ignored him, our guy would therefore not cut the grass whilst the cars were being driven around the track.

Looks like another case of the selfish few screwing things up for the many.

Southend Track Forced To Close

The Southend circuit may have to close down after the Tamiya Finals held on 26th-27th August.

From what I've heard, some spectators who turned up at a recent race meeting got bored with the racing and decided to vandalize a section of the football pitch.

Those who have raced at Southend know that they are told at the drivers briefing that the football pitch and its facilities are out of bounds as the club could face eviction if the grounds are damaged in any way.

It appears that the Aldershot club is not the only club that is on tender grounds with their land owners.

Are you on email??

Do you have an email account? If so we can contact you a lot quicker and send you this newsletter hot off the press. If you want this facility send an email request to either

Chris Mann (webmaster@amcc.org.uk) or

Andy Carless (andy.carless@vodafone.net).

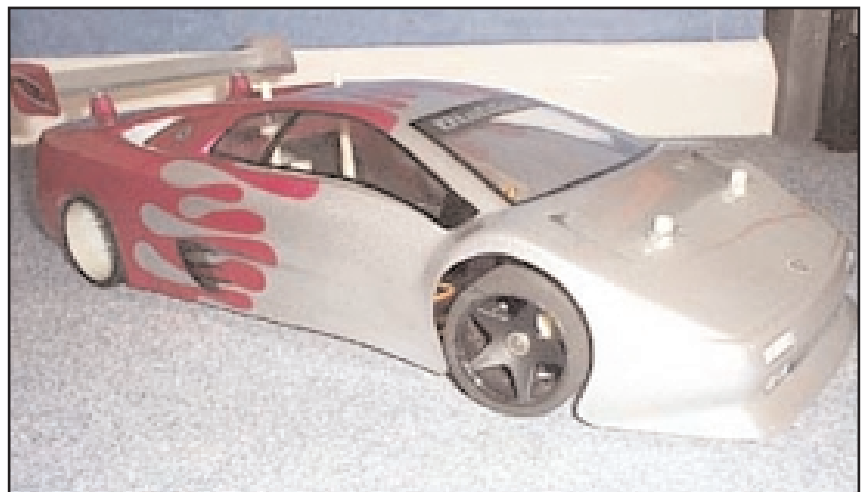

Or alternatively fill in the form on the *AMCC Web site Homepage*

Picture Gallery - photos from recent meetings

These following pictures are courtesy of Gerald Page, Mr "Viper". They show shots of the increasingly popular GT-type class. These cars use some F1 and Pro 10 modified chassis, with Associated just releasing their dedicated narrower RC10 that can take the GT shells without modification.

More of the same!! If you would like me to put some more interesting, not too say these shells aren't interesting (don't want to offend people from the South Coast) email them to me and I'll stick them on this page at:
