

Practice Days Threatened Again

Due to some ignorant people who only think of themselves, free practice time has had to be cut again.

Practicing after all race meetings is now banned.

This has been enforced upon the club due to a few recent incidents, one being the use of an IC car 'til gone 9pm after the Kyosho Cup meeting, although this may not have been a Kyosho racer going by the description given, other cases include mid week practice where both IC and Electric cars are being used after the 8pm shut down time, someone driving a silver Vauxhall/Opel type road car appears to be the main culprit here as this persons car has been seen on site on a number of occasions after 8 pm, this person has been confronted by another club member but was found to be very abusive, unfortunately no one has yet taken note of the cars registration plate (it is not Chris Wilkinson).

Our lease of the site ends at 8pm each evening, anyone found on the Kiln site after 8pm is in fact trespassing, and the land owner has the right to prosecute those who are caught trespassing, waving the AMCC membership card at him will do nothing as these cards are invalid after 8pm.

You must leave the Kiln site by 8pm, that also includes the Committee members, no one is excused.

Track Closed

July 22nd/23rd

Although a number of people have recently been complaining about the state of the track and its surroundings, but no one has yet volunteered to help out with the required maintenance work.

The AMCC committee has therefore elected to close the track on the above mentioned dates for the necessary maintenance work to be carried out.

Any volunteer help would be greatly appreciated over this weekend

GT Sports Class

The ongoing argument over GT cars racing in the F1 class could be resolved soon with the introduction of a new GT class.

A set of GT rules have been prepared over the last month, some Provisional rules were sent to various racers via e-mail for their comments, no amendments to these rules have yet been received.

A guaranteed grid of at least 5 cars is required before the new GT class can be given the go ahead, the GT cars can then be separated from the F1 field into a class of their own.

More details soon.
